

### **Make Your Child's Birthday Party Special!**

Parties may be scheduled Monday through Friday, between 10 a.m. and 5 p.m.; or Saturday, between 10 a.m. and 3 p.m. Parties take place in Pecknel Music's Recital Hall and last 1-1/2 hours. You can invite anywhere from six to fifteen party guests; but most often, parents invite no more than the number that is twice the birthday child's age. At least two adults must also attend each party.

Pecknel Music will provide the video & sound equipment, musical instruments, and other related materials for use during the party; and a professional educator to help your guests have a memorable musical event.

You are welcome to bring a birthday cake and other refreshments (we'll take care of the clean up!), party decorations and favors, and don't forget your video camera!

Each participant will receive valuable coupons, and a special gift from Pecknel Music.

**All this for only \$5.00 per child!**
