

## Jump Start Beginning Band / String Camp

Is your child entering 5th or 6th grade, and interested in playing in band or orchestra in middle school?

Our **Beginning Band and String Camp** will give future musicians a chance to hear and play *all* the instruments available in beginning band and string class, and will help them choose which ones are just right for them!

Students will be introduced to instruments in the woodwind, brass, string and percussion families. Once students have chosen an instrument, they will be taught the fundamentals of assembly and care of their instrument, posture and breathing, plus a few first notes.

Other topics studied will include basic music theory, musical terms and symbols, and basic performance etiquette. All aspects of the camp will be taught by professional musicians and teachers with experience in school music.

By Friday morning, our future musicians will be ready for their first concert, a fun demonstration of what they've learned for family and friends!

**Mon. July 16th - Fri. July 20th**

**9:30 - 11:30 a.m.**

**\$75 per child**

*(Includes use of instruments and supplies)*
